

Service Level Agreement Overview

POL-SLA-001 | Version 2.1

Sample training content for learning MkDocs: convert this PDF into Markdown under docs/.

Scope

This SLA covers Contoso IT services delivered through the Service Desk for full-time employees and long-term contractors.

- Incident response and resolution targets by severity
- Service request fulfillment targets
- Planned maintenance windows

Availability targets

Core collaboration services target 99.9% monthly availability excluding announced maintenance.

Service	Target availability
Email / Teams	99.9%
VPN / remote access	99.5%
Service desk portal	99.5%
Identity / SSO	99.95%

Exclusions

Force majeure, customer-owned networks, and unsanctioned software are excluded from SLA credits.
